## What our members thought last year;

"A wonderful experience... a large passionate Tiger gathering, the Flea interviewing Richmond players (current and past) and coaching staff, a dedicated seating area with sensational views, then back to Punt Road to hear from some of the players post-match. Wonderful experience and would recommend it to all." (Shane Shergill)

"If you ever get the chance to get to the G as part of the 3121 package, DO IT!!! It is worth every cent. Everything about the day is excellent – the food, the service and the seats - and to be able to hear from coaches, players and, on the match day I went, Brendan Gale, brings you that much closer to the inner sanctum of Tigerland. I can't recommend it highly enough." (Ben Roberts)

"The 3121 access opened up parts of the club that simple entry to the ground (membership or game day tickets) cannot provide. The facilities are excellent and there is a guaranteed horde of Tigers fans to talk to, many who have travelled a long way like you for the game. If you are going to trek to the G to watch the Tiges, you may as well make the most of it and get the insights, comforts, great game view and after match interaction that the 3121 tickets offer." (Vaughn Rixon)
